

# Tax for BAS Agents and Bookkeepers 2018

A live webinar series designed to provide quality professional development focused on the work performed by BAS Agents and Bookkeepers.

[www.taxbanter.com.au](http://www.taxbanter.com.au)

Each of the six sessions focuses on understanding the tax consequences of common business transactions and includes a supporting technical paper.

The Webinars are presented Live Online, allowing for questions to be asked or can be viewed as recordings (including if you are unable to attend the live session).

The Webinars will:

- develop the professional capabilities of BAS Agents and Bookkeepers;
- assist BAS Agents in meeting their CPD requirements; and
- be available as a series or as individual sessions.

## Who should attend?

BAS Agents and Bookkeepers.

## How is it delivered?

Tax for BAS Agents and Bookkeepers is delivered in 60 minute Live Online sessions. If you have registered but are unable to attend the Live Online session, you will automatically receive a recording of the session. Alternatively you can purchase a recording of the Live Online session and view it at your leisure.

### Online Recordings

Recordings of the Live Online sessions available 24 hours after the session.

## Program
