

Live Online

2019 Superannuation Training

A comprehensive program for super specialists, this practical and engaging series develops participants' understanding and knowledge through the use of real-life scenarios and examples.

www.taxbanter.com.au/superannuation-training-online

This practical and engaging series develops participants' understanding and knowledge through the use of real-life scenarios and examples.

Who should attend?

Super specialists, accountants, financial planners, SMSF auditors and others with a particular interest in superannuation.

What are the benefits?

- Superannuation specific update that discusses changes relevant to your specialised super work.
- Special topics focused on your superannuation professional development and training needs.
- Practical, hands-on delivery with real-life examples.
- No travel time to and from training.
- All Live Online training is available as a recording and sent to attendees 24 hours after the session has commenced.
- SMSF Association and FPA accredited.
- Qualifies for CPE/CPD.
- Can be tailored and delivered in-house for larger groups.

Online Recordings

Recordings of the Live Online sessions sent 24 hours after the session.

CPD
Accredited
