

# 2022 special topics.

Accompanied with case studies and real-life examples, our Special Topics are practical yet detailed analyses of topical areas of tax law or practice. Our Special Topics are an in-depth look at some of the topical matters regularly encountered by tax professionals.

For our In-house clients, we recommend using the schedule below, however we have an entire library of topics you can choose from. Click [here](#) to view the list or [contact](#) our admin team.
